

Ride the Parks! On October 8

A Bicycle Ride Through All Seven City Parks

You're invited to Evansville's inaugural "Ride the Parks!" event on Sunday, October 8, 2023. Bikers will meet at 2:00pm at Leonard Leota Park, at the site of the future Veterans Memorial Splash Pad (the old swimming pool). From there we'll bike through Franklin Park, Countryside Park, Wind Prairie Park, Seminary Park, and Brzezinski Park. The ride will finish at West Side Park, soon to be renamed Larson Acres Park.

The total distance, including a return to the starting point, is approximately 7 miles. All riders who complete the tour will receive a day pass to the new Aquatic Center for summer 2024!

If you prefer not to ride your bike, join us at West Side Park at 3:00pm to view the progress of the park project. This is an in-person opportunity to make your donation of any amount to the "Growing our Parks: Recreation for Generations" campaign. All donors on October 8 will receive a day pass to the new Aquatic Center for summer 2024 for each member of your household.

This event is hosted by the "Growing Our Parks: Recreation for Generations" campaign team of Melanie Crans, Jon Frey, Bill Hurtley, Troy Larson, Matthew Pooch, Jason Sergeant, Kitty Ver-Kuilen, and Nicki Wagner.

If you're not able to join us on October 8 and still want to make your gift, visit <https://www.ci.evansville.wi.gov/donate> or send a check payable to:

City of Evansville Campaign
PO Box 529, Evansville, WI 53536

Your support will help ensure the successful completion of the City's vision and plans for revitalizing and upgrading West Side Park and Leonard-Leota Park.
