- **Accreditation:**
  - Chief Jones and Lt. Reilly attended the WILEAG presentation in Milwaukee and received the WILEAG plaque showing EVPD is accredited for another 3 years. The official ceremony will take place at the chief's conference in February 2027.

- **Calls for service:** – Oct 2025: **1181** Oct 2026: **1086**

- **Notable calls:**
  - **EV2611697** – During the high school homecoming football game, Evansville officers received a report of a 50+ person fight by the baseball diamonds in which a metal pole/pipe was reportedly being used. Officers Delgado, Hanson, and Ziolkowski arrived on scene and confirmed there was no active fight as students had run back towards the football field prior to and during their arrival. Ofc. Hanson later received a report that one of the students involved was possibly armed with a knife, but no weapons were located when that student was found. Multiple students were interviewed, but no citations were issued as no names of the individuals involved in the fight were provided.
  - **EV2611708** – Officers Ritter and Derrickson investigated a battery at Pete's Inn following a fight between 3 males took place outside in the alleyway. The first

male victim was bleeding from the face, in which his wounds required stitches, and witnesses reported he lost consciousness. One other male involved in the fight was later reported to suffer facial fractures. Officer Ritter is still investigating this manner and determining the appropriate charges.

- **EV2611709** – While investigating the battery at Pete's above, Ofc. Derrickson was informed by a female on scene that while she was inside Pete's, she was grabbed in her "crotch" area, without consent, by one of the three suspects involved in the fight. The victim and a witness provided statements to Ofc. Derrickson regarding the assault. This incident is still being investigated.
- **EV2611847** – Ofc. Nankee was dispatched to assist the Rock County Sheriff's Office with locating a suspect who was kicked off of the Evansville Golf Course and may have been intoxicated. When Ofc. Nankee located the suspect, he recognized him from past professional contacts as an individual who had a warrant for his arrest and is known to be armed with knives and pepper/bear spray as well as be a threat to law enforcement. Ofc. Nankee requested assistance from Lt. Reilly and Sgt. Tway to assist him with taking the suspect into custody before turning him over to the Rock County Deputies. The suspect was armed with multiple knives and pepper spray during his arrest, but he was taken into custody without issue.
- **EV2611894** – Ofc. Hanson was working alone when he was dispatched to a residence for a female having a seizure. Upon Ofc. Hanson's arrival, the female was no longer having the seizure, but was still not coherent. At one point, Ofc. Hanson requested the female's boyfriend to go obtain something and shortly after, the male fell to the ground and began having a seizure. Based on Ofc. Hanson's previous training and experience as well as the factors he observed on scene, he briefly left the residence to obtain Narcan due to his belief the male was suffering a drug overdose. Ofc. Hanson returned inside and administered the Narcan which immediately caused the male to regain consciousness. No drugs or drug paraphernalia were located on scene. It should be known that the couple were using drugs with two juvenile children in the house. Due to this, the female is being referred to the Rock County District Attorney's Office for Child Neglect.
- **EV2611926** – Ofc. Nankee initiated a traffic stop on a vehicle at the intersection of 92/Crull Ct. During the contact, Ofc. Nankee developed Probable Cause to search the vehicle after smelling the odor of marijuana. The following items were located during the search: 1 joint, 1 THC Vape, a grinder with 1 gram of Marijuana in it, 2 50ml bottles of Vodka, and 9 nicotine vapes. The Juvenile driver, was arrested and cited for possession of THC and Paraphernalia.
- **EV2611972** – There was another Disturbance at 38 N. Madison. During the investigation, Ofc. Hanson established probable cause to arrest one of the tenants for disorderly conduct. Ofc. Schmidt later located the subject and took him into custody. The individual was then transported to the Rock County Jail and booked on 2 charges of Disorderly Conduct.

- **EV2612074** – Ofc. Delgado investigated a bail jumping case involving disorderly messages being sent to the victim of an open domestic violence case. Bond conditions stated that there was to be no disorderly contact with the victim over the phone. Ofc. Delgado was informed of multiple threatening messages, which included threats to the victim's safety. At this time, Ofc. Delgado has probable cause to arrest the male and other agencies have been requested to assist with locating the suspect. If not taken into custody soon, a warrant request will be forwarded to the Rock County District Attorney's Office.

- **Admin update:**
  - Chief Jones applied for a grant from the Evansville Fund through the Community Foundation of Southern Wisconsin.
